

Wednesday, 11 September

13:00-14:00, Hall 0C

**Benefits and Limitations of Local Anesthetics in Postoperative Pain**

SYMPOSIUM IS ORGANISED AND SUPPORTED BY *Heron Therapeutics*

**Chair:** Chad, Brummett (USA).

**Presentation**

13:00-13:40 Chad, Brummett, (USA).

**Q&A**

13:40-14:00 Chad, Brummett, (USA).

Thursday, 12 September

11:00 - 12:00, Hall 0D

**Home sweet home: enhanced PNB**

SYMPOSIUM IS ORGANISED AND SUPPORTED BY *Sintetica SA*

**Chair:** José de Andrés, Spain.

**Chloroprocaine 2% for peripheral nerve block in ambulatory surgery**

11:05-11:20 Alain, Borgeat (Switzerland).

**Fast track PNB: the role of chloroprocaine. The US experience**

11:20-11:35 Arthur C., Hertling (USA).

**Ultrasound guided axillary nerve block for short duration surgery**

11:35-11:50 Oliver, Kimberger (Austria).

**Questions and Discussion**

11:50-12:00 All

Thursday, 12 September

13:00 - 14:45, Hall 0D

**Onvision® Needle tip tracking – study results & first clinical insights**

SYMPOSIUM IS ORGANISED AND SUPPORTED BY *B.Braun | Philips*

**Chair:** Paul Kessler, (Germany).

**Improved performance of novices by using needle tip tracking in ultrasound guided sciatic nerve blocks**

Graeme McLeod (UK).

**First randomized controlled clinical trial investigating needle tip tracking for regional anesthesia procedures**

Axel Sauter (Norway).

**Onvision® – first experiences in clinical practice**

Paul Kessler, (Germany).

Friday, 13 September

13:20 - 14:50, Hall OC

**Takipril/Ampres & IV Ibuprofen - Great team in ambulatory surgery and beyond**

SYMPOSIUM IS ORGANISED AND SUPPORTED BY *B.Braun*

**Chair:** Emmanuel, Guntz (Belgium).

**B | BRAUN**  
SHARING EXPERTISE

**So where are we with Prilocaine 2%: when and how**

13:20 – 13:45 Emmanuel, Guntz (Belgium).

**Why do we need Chlorprocaine 1%**

13:50 – 14:15 Arthur C, Hertling (US).

**Role of IV ibuprofen for multimodal analgesia in ambulatory surgery**

14:20 – 14:50 Alexander, Tzabazis (Germany).
